- The caravan, motorhome, folding camper or trailer tent in storage is NOT property of Applewood Countryside Park and as such responsibility of the unit remains with the owner.
- Applewood Countryside Park will do its utmost to protect the unit in storage, but cannot accept any blame for loss or damage incurred whilst the unit is left in storage including damage caused by vermin infestation or adverse weather conditions. - The Park Manager will not permit the removal of any units from the storage compound by anyone other than the owner except on the prior written authority of the owner.
- You will be supplied with an A4 sign for the inside front window to ease identification whilst your unit is in storage. - All units must be kept clean, tidy and presentable whilst being stored. Applewood Countryside Park has the right to employ a cleaning company and invoice the holder should this not be met.
- We do allow maintenance and cleaning of vans inside the storage facility but we must have at least 3 days notice and any work must be completed during office opening hours.
