SITE CODE

In the interest of everyone's enjoyment, we ask that the following guidelines are respected:

- Noise levels are to be kept to a minimum between **22:00 and 09:00**

- Please leave a **6 metre** safety gap between you and neighbouring guests when setting up your pitch. If this is not adhered to, you will be asked to re-pitch

- Parking for **ONE vehicle** is permitted next to your pitch/ pod/ shepherd's cabin. All other vehicles and those of visiting guests must use the car park located adjacent to Park Reception

- BBQs and covered fire pits are permitted but must be raised off the grass and supervised at all times. BBQ ash and fire pit waste must be disposed of in the metal bins provided when cold

- In order to keep the Park clean and tidy, we ask that waste water and refuse is disposed of in the designated areas only

- Children **under 8 years of age** must be supervised by an adult **at all times**

- Children use the play area and games den at their own risk. Applewood Countryside Park does not accept responsibility for any accidents or injury

- Power toys, kite flying and ball games are **NOT permitted on the main park or Laurel Meadow**. Guests wishing to use such items are asked to use Grove Meadow

- Please refrain from putting up washing lines or hanging linen on fences or hedges

- Respect the boundaries of the Park. Please do not enter areas that do not belong to the campsite

- Dogs must be kept on a lead at all times and are not to be left unattended at any time. Dog waste is to be picked up and placed in the bins provided

- Please observe the **one way route and 5mph speed limit** around the Park at all times and be aware of children

- Behave in a considerate manner and respect our Staff and all other Park users

- Do not use the Park for any antisocial or criminal activity and refrain from using foul language

- Paddling pools may be used as long as they are within your designated pitch space and covered or emptied when not in use. Please be considerate to other guests when using the water

- Generators are not permitted
