## FIRE SAFETY

- Raise the alarm, go directly to Park Reception or the Park Wardens and ask them to call the Fire Service
- If it is safe to do so, use the fire equipment provided. Fire boxes are located at each Refuse & Recycling Point. Lift the lid to obtain the fire extinguisher. An alarm will sound when the lid is removed.
- Proceed to the Emergency Meeting Point located in the Car Park to await further instruction
- Do not re-enter the building or area until you are informed it is safe to do so.

## EMERGENCY CONTACTS

If Park Reception is closed and you require urgent help, please seek assistance from the **Park Wardens** in the first instance, alternatively contact:
